

BCM3173 – Lab Assignment 2 Part 1 (1718-I)

Task:

1. On your browser, please open Google Map or click here: <https://www.google.com.my/maps>
2. From Google Map, extract the coordinates (latitude and longitude) of the following features:
 - a. Your house (in your hometown)
 - b. 5 shopping complexes or supermarkets
 - c. 5 hospitals (or government clinics)
 - d. 5 schools (primary or secondary)

p/s: Record the coordinates in an Excel file and save for next task (Lab Assignment 2 Part 2).
