Quiz 2

Time duration: 1 hour

Question:

Based on your understanding on what you did in the three parts of Spatial Analysis (Part 1, Part 2, Part 3) of the lab tasks, please draw a mind map to summarize them all.

1. Your mind-map MUST include Input, Output, Process, and brief explanation.
2. The mind-map MUST be drawn by handwriting only. Be as creative as you wish. Draw whatever you like, as long as it is relevant.
3. This is individual submission.
4. The mind-map can also be changed to any other form of diagrams whichever suits you best.
