Synopsis

At the end of the course, the students will be able to construct and understand basic sentences of everyday use with simple grammar, such as: introducing her- / himself, asking / answering simple questions about her- / himself, other people and her / his immediate environment, etc.

Objectives

- The student can utter and understand very basic sentences in (and about) common everyday situations, if the conversational partner speaks slowly.
- The student can talk about her- / himself and her / his family members and her / his immediate environment.
- The student can fill in simple (hotel, etc.) registration forms.
