# LEARNING ACTIVITY # 6

## GROUP TASK

In Malaysia, there are several standard forms of contract, namely Public Works Department (PWD), Pertubuhan Akitek Malaysia (PAM), Construction Industry Development Board (CIDB), and The Institution of Engineers Malaysia (IEM)

Make a group of four students, compare and contrast the use of each standard form of construction contracts that produce by these institutions in terms of type of project, the nature of a project and financing involved. Submit your findings (essay - not more than 2 pages) in hard and soft copy.
