

Class Activity (Discussion)
20 minutes

In pairs, discuss the following questions:

1. Do you know any common safety programme aims to improve safety awareness among workers?
2. What are the common weaknesses or loophole when a company starts to implement safety intervention programme to their workers? Discuss.

Additional Note:

- Students may use laptop, tablet or smart phone to do some reading in the internet.
- At the end of the discussion, one of the students will present the points that have been discussed at the front of the class.
- Other students are free to ask the question during the presentation.
