

BTU1113 PHYSICS: GROUP ASSIGNMENT 2

INSTRUCTIONS (MIND MAPPING ASSIGNMENT)

Each group must prepare mind map for Chapter 5 until 8 and submit to the lecturer on week 14 (before 9/12/2017). The content of the mind map must demonstrate physics concepts in work, energy and power, fluid mechanic, electrics and magnetisms. All relevant information (formula, diagrams, assumptions) must be included in the mind map in a creative way.
