

PROJECT RISK MANAGEMENT

Learning Activity: Project Manager as Risk Manager (Risk Culture)

by
Safiynaz Omar
Faculty of Industrial Management
syafinaz@ump.edu.my

Class Activity 1

- Prepare an individual presentation based on the following question.
- Students are given 15 minutes to prepare and 10 minutes to present.

Class Activity 1

- In your own opinion, answer the following questions:-
 - Explain how are you going transform your class into a class with risk-aware culture?
 - Is risk-aware culture in an organization the catalyst for implementation of risk management for the organization's project?
 - Is possible to create risk-aware culture in Malaysian companies?
