NEED TO KNOW

❖ SYNOPSIS:

- The course primarily aims to develop a greater understanding towards English mechanics such as grammar components, sentence structure, word formation, coherence and cohesion.
- Students will be exposed to these components to strengthen their skills in communication.
- This course is suitable for students who are interested to build confidence in using the language.

By the end of the course, the students should be able to:

- CO1 demonstrate presentation skills using appropriate delivery styles
- CO2 analyse the use of parts of speech, subject verb agreement, and tenses at sentence and paragraph level
- CO3 distinguish different types of word forms in a sentence
- CO4 demonstrate the correct use of logical connectors, coherence and cohesion in a given text
